## BIG BEAR BRIDGE PROJECT UPDATE

**Big Bear** – Caltrans and the contractor, have begun placing signs throughout the construction site warning against trespassers and the prosecution of violators. Local law enforcement will be monitoring the site. These signs have been implemented for the safety of the public and workers.

The work hours are Monday through Friday from 7:00 a.m. to 5:00 p.m. Flagging operations will be present; one lane will remain open during the work hours. Traffic impacts are expected to be minimal with no more than 15-20 minute delays.

Blasting will continue throughout the duration of the project. This will occur once a week between the hours of 10:00 a.m. and 2:00 p.m. Signs will be posted in advance. Please expect short delays during these periods.

There is no construction scheduled during weekends and holidays.
